Lincoln County's Regional
Food Bank since 1982

Serving Lincoln County Since 1982

Since 1982, Food Share of Lincoln County has led community efforts in awareness and elimination of hunger in Lincoln County. Through ever increasing community outreach and partnerships, we strive to provide service to our clients and our county.

Food Share of Lincoln County distributes emergency food boxes through seven affiliated pantries located in the Cascade Range, Lincoln City, Depoe Bay, Newport, Waldport, Siletz and Toledo. In addition to the pantries, we provide assistance in the form of food, and other donated items to local partner agencies. Our support helps stretch the agency's budget thereby allowing them to provide more direct client service .

Food Share distributes over 900,000 lbs. of food each year from various sources including Oregon Food Bank, USDA commodities , local farms, retailers, individual and small business donors.

Of course, we could not begin to address our mission statement without the dedication, devotion and deeds of our wonderful team of volunteers and generous donors.

We make a living by what we get,
but we make a life by what we give.

Winston Churchill

Community Outreach

Food Share is dedicated to caring for those in need. Our community partnerships allow us to serve at risk populations in other ways than just providing emergency food:

- We partner with local meal sites to ensure people who are homeless and other at risk populations have access to hot nutritious meals.
- CSC HELPS, Calvary Baptist Produce Plus and South Lincoln Resources are some of the supplemental agencies receiving food assistance so their program dollars go further to provide direct service to their clients.
- Our partnership with local Farmers' Markets provides fresh produce to our clients which in turn supports the local producers.
- We deliver specially tailored food boxes to over 30 homebound seniors every month.
- We promote hunger awareness through various fundraisers such as the popular BeJeweled and local food drives.

Food Share is an equal opportunity provider, a member agency of Oregon Food Bank and monitored annually by OFB to ensure safe food handling practices.
